Treat tired hard & callused feet to this 4 step luxury pampering foot treatment. Your feet will be wrapped in a unique skin softening patch by **Callus Peel**, which amazingly softens hard & callused skin. The dead skin is then scraped off with a special plastic scraper, followed by a skin polish to smooth away any remaining hard skin. The treatment is then followed by a rejuvenating cream, which will deodorize and relax the feet.

Add Callus Treatment to any Foot Treatment for €20
